

MR MICHAEL MEEHAN OF AMERSHAM, BUCKINGHAMSHIRE DONATES SEWING MACHINE TO
MOTEC'S NUWLIFE PROJECT IN HEMEL HEMPSTEAD.

By Gladys Ofori-Atta. MAY 2010

The Sewing Machine donated by Mr Meehan in response to an appeal put out by Motec activists
Linda Bigham and Kay Bowers.

The machine is expected to support Motec's NUWLIFE – Nutrition Working for Life-Project which provides opportunities for vocational training / income generating activities to support families once the rehabilitated - malnourished child is discharged home from Hospital (please see project on website). NUWLIFE provides vocational training including sewing, soap manufacturing and catering. Also the project looks at improvements in farming practices, education on good nutrition, partially sponsored farming projects for poor families in Northern Ghana (Jirapa District). Mr Meehan made a pledge to continue to support Motec in many other ways.

Our sincere gratitude to this noble man, says Motec Trustees and members. Linda is expected to maintain the link between Motec and Mr Meehan.

Mr Meehan of Amersham seen with Motec's Gladys Ofori-Atta and Linda Bigham in Hemel Hempstead. Hertfordshire soon after the donation of the sewing machine.
