

## QUAINTON SUMMER DELIGHT – 2010

On a hot June summer's day Saturday 26<sup>th</sup> of June 2010, many people from far and wide came together to do some fund raising for Motec-Life. Quainton Summer delight lived up to its tradition and expectation. Jane and Nigel once again, like last year organised the proceedings in their own house in the beautiful village of Quainton.

With the glorious sun 'steaming', the festivities got underway quite promptly. While some relaxed and chatted to friends of Motec, others strolled around and admired the garden, outstanding village windmill, the sweet flowers, the herbs, walked up and down the nearby hill and admired 'Beatrice Potter' seat. Jane Jackson told us the story of how the seat came to be in there garden.

By this time the smell of the barbecue cooking was telling us all how hungry we were. The food was delicious, the drink flowed and we were merry.

There were many prizes to be won on the raffle, and every one donated funds to Motec. With the much admired windmill to look at and the red kite birds of prey flying overhead. There were many pretty scenes and a truly social occasion. In the end about two-hundred and eight pounds was raised in support of Motec's NUWLIFE.

Attached series of photos tell some part of the story of Quainton on the day.

Linda Bigham.
